

## **Allozymes' Ultra HighThroughput Screening Platform**

Dr. Audrey Robic

Allozymes

[Audrey@allozymes.com](mailto:Audrey@allozymes.com)

Allozymes is a cutting-edge biotechnology company specializing in the development and production of high-quality enzymes for various industries. With a strong commitment to sustainability and customer satisfaction, we aim to revolutionize the field of enzyme production and contribute to a more sustainable future.

The poster will highlight a recent case study and how the combination of bioinformatic tools and ultra-high throughput screening allows the identification of better enzymes in just a few weeks.
